*Hello from the
Revd Jenny Taylor*

This month the Church celebrates Pentecost – the coming of the Holy Spirit - the energy given to us by God. The same energy that raised Jesus from the dead and that took him finally to his Father – the Ascension. The story of Pentecost is incredible – a mighty wind rushed through the house where the disciples were staying, their heads seemed alight with tongues of flame and they could speak so many different languages that all the foreigners who were in Jerusalem could understand what they were saying. From that moment on the disciples were literally it seems, fired up with enthusiasm and courage – they were enlivened to go out and tell the good news of Jesus to all and sundry even when faced with persecution and death.

We also celebrate Trinity Sunday this month – this really is a wonderful day when we can relish our God of three persons, Father, Son and Spirit. It is the day when all our celebrations – Christmas, Easter and Pentecost come together and we can see the story of our faith in its entirety. It reminds us that our God is a God who walks alongside us in the whole of our lives not simply when we are celebrating and full of joy, but when we are grieving or anxious, when we are healthy or ill, when we are young or old. May you feel his presence with you as you walk through your lives.

Very sadly the Village has had to say goodbye to two of its most senior residents – in May both Edna Johnson and June Jessopp died. We give their families every condolence and prayer as they begin life without Edna and June. But it is also a time to celebrate a new beginning – Mary-Beth Alexander and Wesley Trigwell will be getting married on June 24th and we wish them much joy in their future life together.

CHALKE VALLEY HISTORY FESTIVAL

The Chalke Valley History Festival will be taking place on the new site in Church Bottom, Broad Chalke between 26 June and 2 July. Large volumes of extra road traffic can be expected along the High Road/Broad Chalke Road during the festival. It would be sensible to allow additional time for any journey and to take particular care when using these roads.

Advertising Manager needed

Alice needs to hand over the job of STAB Advertising Manager to someone who is a bit more organised, with a little time to spare, and willing to do some volunteer work for the Stratford Tony and Bishopstone community. It is an easy job for someone with basic computer skills and involves liaising with advertisers, sending new ads to the editor, and sending out invoices. If you are interested please email alicebennett2001@yahoo.co.uk.

COMMEMORATIVE BENCH

Following consultation last year, Bishopstone Parish Council has now put in place the new public bench to commemorate the 90th birthday of the Queen in 2016.

The bench, which is made entirely from re-cycled materials, is located in the footpath across The Alley. It will provide a welcome resting place for those walking within the village

BISHOPSTONE PARISH COUNCIL

The Annual Meeting of the Parish Council took place on Thursday 11th May 2017. Details are in the minutes of the meeting which are available on the village website (www.bishopstone-salisbury.co.uk).

Ten members of the public were present.

Norman Barter, Butt Lane, Bishopstone
George Brutton, Mill Lane, Bishopstone
Piers Edwards, Broadchalke Road, Bishopstone
Marion Foster, Drove Lane, Coombe Bissett
John Gibbon, Manor Farm, Bishopstone
Anita Smith, Netton Close, Bishopstone
Alistair Thorne, Flamstone Street, Bishopstone

This was the first meeting of the Council (see box for membership) since the elections on 4th May 2017.

Cllr John Gibbon was re-elected as Chairman of the Council, and Ali Thorne as Vice Chairman. Cllr Gibbon welcomed, in particular, Piers Edwards as the only new member of the Council.

The main issues considered at the meeting were:

- **The problems caused in the village by the closure by Wiltshire Council of the High Road for surface road works.** The closure during April had caused difficulty for villagers because the bus service had been suspended and many drivers from outside the village had ignored the official diversion and had tried to make their way through the village back roads. These problems were set to be repeated by another closure in May. Strong representations had been made to Wiltshire Council about the need to enforce the formal diversion and to provide stop/go boards, particularly in Mill Lane.
- **Footpath along the High Road verge between Meadow View and Whitlock Rise.** Wiltshire Council officers had raised objections to the proposal for an informal footpath along this verge to allow pedestrians, including children, to avoid walking along the busy road. A site meeting is to be held to discuss.
- **Community Defibrillator.** The defibrillator had been delivered and would be installed shortly at the Village Hall. Arrangements for a community event to raise awareness and demonstrate its use would be made for June.
- **Whitlock Rise.** Following an intervention by Wiltshire Councillor Jose Green a vehicle causing an obstruction in Whitlock Rise had been removed to the car park.
- **Commemorative Bench.** The new bench to commemorate the Queen's 90th birthday had also been delivered and would be installed in the footpath in The Alley shortly.
- **Bus service.** The bus company had been written to about over-crowding on the early morning services and the driving of some of their drivers. A reply is awaited.
- **Speeding on the A354.** A resident from the Blandford Road raised the issue of speeding along the A354 and asked that the Council press Wiltshire Council for a reduction in the speed limit. The number of houses and businesses along this road had increased and there were increasing traffic incidents. The dangers would be reduced if the limit was lowered from 60mph to 50mph. Whilst Councillors expressed support for raising the matter with Wiltshire Council, it was pointed out that parts of this stretch of road were in Coombe Bissett and Stratford Tony and that, to have any effect, any approach to Wiltshire Council should be a joint one. Residents agreed to take the matter up with those parishes to see if they would agree a joint approach.
- **Annual Accounts.** The Parish Council accounts for 2016/17 had been approved by the internal auditors. The Annual Return to the external auditors was discussed and agreed. A number of items of expenditure were also approved – see minutes of meeting.
- **Faulston Barns.** The first new residents had now moved into Faulston Barns and welcomed to the village. Unfortunately, the site had also been subject to vandalism and graffiti shortly before this happened. The police have been informed.

The next meeting of the Council will be on Thursday 13th July 2017 at 7.30pm in the Village Hall. All are welcome to attend.

Broad Chalke CE VA Primary School

10th Anniversary of the new school!

Ten years ago this year Broad Chalke Primary School moved to a beautiful new purpose built site. This would never have happened without the support of our wonderful community. It was controversial at times and not always easy but something had to be done to give our children the very best which this valley could provide and a mixture of determination, incredible fundraising and optimism resulted in a new school building which was not just fit for purpose, it was beyond expectations. Ten years on our village school continues to be a place of excellence and a place where our children can have the education which they deserve in order to give them the best start in life.

In recognition of this special anniversary, we would like to open our doors to the village community to say a special thank you to everyone who helped to make this dream a reality.

On **Friday 30th June 2017** Broad Chalke Primary School will hold a day of Celebration.

There will be a special assembly at 11.00 followed by a party lunch for the children.

I hope that the following descriptions will give just a flavour of life at our school:

1. **Pupils** – We have a total capacity for 210 pupils and currently have 206 pupils; there has been a steady increase over the past few years. Priority is always given to those who live in the
2. catchment area and the maximum class size is 30.
3. **Staff** – We have 34 staff covering 50 different job roles. We are a great team and every
4. member of staff is valued for what they bring to the team.
5. **Governors** - We have 14 Governors, with a range of diverse skills.
6. **Parents** – We encourage parents to get involved as parent helpers, governors or through FOBS, the Friends of Broad Chalke School. FOBS fundraise for the school and organise social events too. Parents are regularly invited in to join us for weekly Collective Worship as well as many other special events.
7. **Improvements** – Even though we have a beautiful school, we continue to improve it. Recent improvements have been made to the school kitchen, the car park, a new playground, playground markings, a new play trail and a new play area for Reception class. FOBS have been involved in the fundraising for many of these projects.
8. **Academic Standards** – The KS2 League Tables were published in December 2016 and show that in the 2016 KS2 SATs Broad Chalke was achieving well above the national average and is one of the top performing schools in the Salisbury area with SATs results in the top 1% nationally for attainment and in the top 2% for progress.
9. **Destination of school leavers 2016** - 44% of children went to the Grammar Schools **and** 56% went to State Secondary Schools

Sports – Broad Chalke pupils enjoy a wide range of sports and great success in various competitions such as being:

- district and county champions for boys' cricket
- district champions and 3rd in county for girls' cricket
- cluster champions and district finalists for netball
- district champions and 5th in county for hockey
- district champions and county finalists for tag rugby
- 2nd in district for girls' football and district champions for boys' football

9. **Visitors** - Parliament Education outreach workshops; Salisbury Playhouse drama coach; a
10. visitor from Sudan; Wiltshire Wildlife; Air Ambulance staff; a guide dog; a Royal Navy helicopter visit; a ventriloquist; author visits and a mosaic artist. The Magnard Ensemble performed a concert for us and we have also had recitals performed for us on the harp, piano and violin; an Indian
11. visitor led a workshop on Diwali. The Y6 class completed a Bikeability course to help them to be safer cyclists.

Trips - We have a number of trips throughout the year to inspire the pupils and enrich their studies, such as trips to: Beaulieu; the Ancient Technology Centre; Salisbury Museum and Stonehenge; Claysmore choral day for the choir; Lulworth Cove; Ansty PYO; Throop Manor Downland; Mudeford beach and lifeboat station; a 5 day long residential at Lee Abbey in Devon; London for the Globe and the Golden Hind; Chalke Valley History Festival; Year 6 sleepover in school; 4 day Bristol residential; Salisbury

Please do join us on Friday 30th June from 10.30am for a drink on arrival followed by a celebration assembly at 11am. Please see the invitation and RSVP to the school.

VILLAGE HALL NEWS

Moviola film “A United Kingdom” was a really excellent and thought-provoking film, well attended by folks from various places, in spite of it being shown in other local halls. We are expecting another high attendance for “Lion” on 26th May. The June film will be “Jackie”.

However, I received a complaint from Shaun the Sheep last month. A baaaad spelling mistake had occurred reference his name, which as everyone else knows, is not “Sean”. He will be back on the village hall screen when Magic Lantern restarts in October. Coffee mornings, Pilates, Needles and Pins, the Baby and Toddler Group and Photography continue happily. The hall has also been used for parish meetings, private parties, ballroom dancing practice, flood and environment group meetings and the recent election. The Photography Group is donating a number of mounted photographs from their sessions to decorate the walls of the newly refurbished ladies’ loos. These and some new fixtures and fittings will smarten it up even more. The Village Hall Spring Fair on May 20th had lots of healthy plants, now presumably dug into people’s gardens. The May fair is always a quieter event than the Christmas Fayre, but worth dropping into for little bargains and maybe a bottle or two won at Tombola. Many thanks to everyone who generously donated things and especial thanks to helpers on the stalls and coffee making.

On the subject of winnings, every month there are 3 lucky winners of £50, £20, and £10 from the village 100 Club draw. If you fancy joining in, there are a few places left, only £24 for one year’s membership. (It doesn’t take the brains of an archbishop to work out that the odds are amazingly good). Ring 780471 if you would like to join in or find out more. The Baby and Toddler Group is holding a fundraising wine tasting evening on Friday 16th June, 7.45pm, which will help provide more equipment and toys for their Friday morning activities. These sessions let children interact with others and run off steam in the hall, which of course enables parents to chat and briefly retain their sanity.

Vice-Chairman Roger Stockton has left the committee of trustees to pursue other interests. He has been fundraiser, project manager, and seen in various major improvements over the years. We would like to thank him very sincerely for all the many hours he has put in on our behalf. He is not escaping entirely, however, as he is working with us on the car park project and will continue to run Magic Lantern, Photography and the very popular televised Six Nations Rugby matches in early 2018, which come (of course) with beer and butties. Thanks Roger, for it all.

COMMUNITY DEFIBRILLATOR

In association with the Community Heartbeat Trust, Bishopstone Parish Council has now provided a portable automated external defibrillator (AED) for community use. It is located on the outside wall of the Village Hall in Butt Lane. The defibrillator has its own internal power supply and is contained in a carry pack that can be removed to any point in the village.

In the event of someone suffering a sudden cardiac arrest you should ring 999, begin CPR and ready the defibrillator. Our defibrillator is the fully automatic variety with voice and text prompts to tell the rescuer what to do – after the pads are attached to the victim the machine takes over, assesses the patient and delivers a shock, if needed.

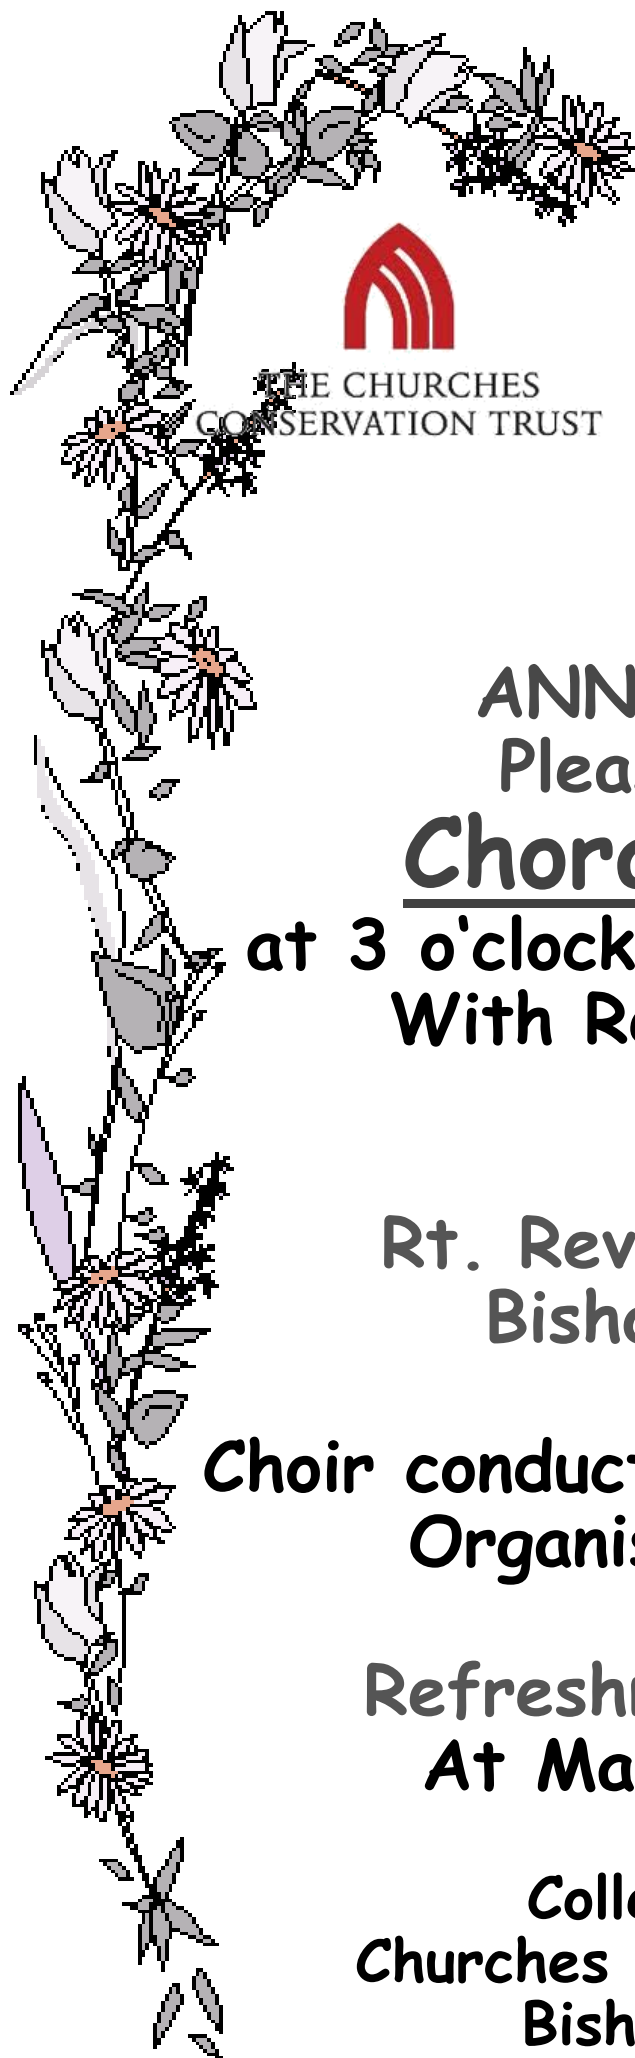

These defibrillators are designed to be used by members of the public, with or without any formal training. They are easy to use – just follow the instructions. However, training is desirable and the CHT/SW Ambulance will be demonstrating the use of the defibrillator at a community event to be held on:

THURSDAY 15TH JUNE AT 7.00PM IN THE VILLAGE HALL

In the event of sudden cardiac arrest time is important. Early deployment of a defibrillator can make all the difference to survival. The more people who know how to use the portable defibrillator, the more chance there is of saving a life. Attending this demonstration will hopefully give you the confidence to use this life saving equipment, should the need arise.

EVERYBODY IS WELCOME TO ATTEND THE DEMONSTRATION AND NO SPECIAL SKILLS ARE REQUIRED, SO PLEASE COME ALONG ON 15TH JUNE.
