Queen's Award for Voluntary Service Registered Charity No 1076335

*Hello from the
Revd Jenny Taylor*

We now enter the month of Remembrance, November, do please join us for our Annual Service of Remembrance in church on November 12th at 10.55. Also look out for all the times of our services at Christmas – it will soon be upon us, beginning with our Advent service on 3rd December at 5.00 pm.

On October 1st we had gathered for our annual Harvest Festival. Dear Ivor Cummins was leading us in prayer when he collapsed and shortly afterwards died. It was a terrible shock for everyone but for Vera, his dear wife of 64 years, it was devastating. Ivor died in the place he loved and doing what he loved and God's harvest was surely great that day – Ivor was a dear man, a faithful servant of the church and a good friend to many. We said farewell to him in a packed church at his funeral on October 16th and laid him to rest in our churchyard next to his beloved son, Martin. Our love and condolences go to Vera and her daughters, Elaine and Gill and their families.

Ivor's sudden death has reminded us all that life can be cut off without any warning – in Ivor's memory and following his example let us make the most of every minute, knowing that service to others is the greatest gift we can give.

May Ivor Rest in Peace and Rise in Glory.

From the Editor

Some people may have noticed that the wrong map of Bishopstone was used on the front cover of the last issue, this was done on purpose. The point behind it was we don't want dog mess or any other anti-social behaviour in or village

BISHOPSTONE PARISH COUNCIL

The next meeting of the Parish Council will be on Thursday 9th November 2017 at 7.30pm in the Village Hall. The agenda for the meeting will be available on the village website (www.bishopstone-salisbury.co.uk) a week before the meeting.

The Speed Indicator Device began operation on the High Road on 2nd October. It is being shared with Broad Chalke and Bowerchalke Parish Councils and will rotate between the three authorities. It does appear to be having some effect in persuading drivers to slow down and observe the speed limit.

The South West Wiltshire Area Board has agreed to part fund the proposal to construct a footpath along the verge of the High Road between Meadow View and Whitlock Rise. The timing of completion of this project is now under discussion with the contractors.

The fact that the new Mobile Phone Mast, which was erected at the beginning of June, is still not operational has been taken up with both mobile phone companies concerned and with our MP John Glen. 6

THE TRUSSELL TRUST

News from the Trussell Trust on October 13th 2017

We are delighted to announce that our work to help people facing crisis has been nationally recognised. Last night, we were awarded the Observer Food Monthly award for Outstanding Achievement. The awards which are now in their 14th year are voted for by both readers and a judging panel. Speaking on receiving the award, Elizabeth Pollard, Chair of Trustees said: *'We are so proud of how hard everyone works to stop people going hungry, and grateful to every donor and supporter who contributes to making that work possible. We also thank the Observer for recognising everyone's contribution and highlighting the work that needs to be done.'*

You can still help us as we approach one of the busiest seasons for our foodbanks. We are in vital need of donations and food to help people facing crisis this Winter.

This is great news for the Trussell Trust and we can continue to help them in this aim. The Harvest total was a tremendous 55.8 kgs, well done to everyone who contributed and then the normal collection for last month was 14.1 kgs. Taking into account that it was the same month as Harvest this was a great amount. Thank you so much to our regular contributors

Items they are particularly asking for at the moment are :-

LONG LIFE FRUIT JUICES
INSTANT COFFEE
BARS OF CHOCOLATE
PERSONAL HYGENE PRODUCTS

If you can include any of these among your normal donations it will help them enormously.

As usual donations can be left in the box in the church porch or at The Old Post Office, The Cross

Thank you again for your continued support
Regards

Reg & Judy Barrett

MAGIC LANTERN SOCIETY

NOVEMBER SHOWING

TRUE GRIT

6 November - 7.00pm for 7.30pm in the Village Hall

The November film for the Magic Lantern Society is **True Grit**.

This great Western is the remake

by the Coen Brothers of the original John Wayne film and is considered by most people to be far superior to the original.

The film relies more heavily on the original novel by Charles Portis and stars Jeff Bridges as the aged, one-eyed US Marshal, Rooster Cogburn and Hailee Steinfeld, who was 13 at the time of filming, as Mattie Ross, intent on avenging her father's blood by capturing the man who shot him.

For any Western genre fans this is a must!

We will also be asking for your votes for our film selection for our 2018 Season and there will be the inevitable appearance of Shaun the Sheep!

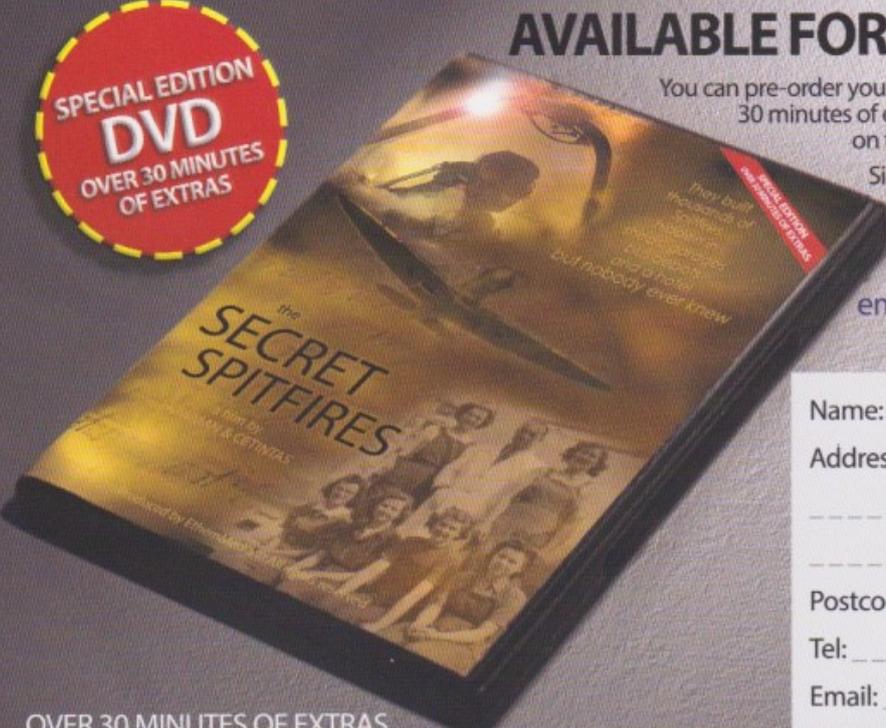

COME AND JOIN US FOR A GREAT EVENING!

MAGIC LANTERN SOCIETY

The Magic Lantern Society had a very successful showing over two nights on 22nd and 23rd September of **The Secret Spitfires**. This locally produced film about the manufacture of Spitfires in Salisbury played to capacity audiences on both nights and the organisers were regrettably turning away last minute applications to attend.

The superb film highlights a relatively unknown piece of local history. After the bombing of the Vickers Supermarine factory in Southampton on 24th and 26th September 1940 some of the manufacturing capacity was moved to Salisbury where, in security classified buildings, the production was able to continue before completed aircraft were flown out from High Post and Chattis Hill, near Stockbridge.

The Society have been able to pre-order copies of the Special Edition of the film with over 30 minutes of extras included. These are on sale for £20.00 through the Magic Lantern Society. Please complete the form below or contact Caroline on 781044 or Roger on 780346 to book your copy now. Cheques should be made payable to Bishopstone Village Hall.

AVAILABLE FOR PRE-ORDER NOW

You can pre-order your 'Special Edition' DVD now. It contains over 30 minutes of extra footage which is not available on the standard version.

Simply contact us by email or letter or fill the form to request a copy and we will contact you for a payment of £20 when it is ready to ship. (postage & packing included)

ATA Girl reunited with her Spitfire	Search for the lost test pilot	BBMF RAF Coningsby	A Bernardo's boy makes good	Modern day Spitfire factory	Two seater flight experience	British vs German fighter design	Construction of a Spitfire	Ceremony for a secret factory

Though there has been a reluctance to highlight this remarkable piece of history in Salisbury, the recent showings have resulted in a surge of enthusiasm and comments to Salisbury City Council and the Civic Society to try and achieve greater recognition of the citizens involved in the construction of the aircraft.

Suddenly there is much evidence that Christmas is not so far away and the HUB is no exception in preparing itself for the festive season. Here are a few things that are happening that will be of particular interest:

HUB & PUB – “lighting up” evening.

Now in its fourth year, this very popular event will take place on Friday 1st December when the HUB and the Queen’s Head once again join forces to celebrate the switching on of the Christmas tree lights. The evening starts at 5.45 pm when everyone gathers outside the HUB where the Broad Chalke School Choir will lead us in singing a selection of popular carols. At about 6.15 everyone moves over to the Queen’s Head pub where Dee and her team will greet us with a choice of mulled wine, hot chocolate and mince pies. You are then invited to stay on in the festive atmosphere at the pub for hot soup (@50p) served with delicious fresh warm bread. This is a really fun family evening and the perfect occasion to get together at the start of the Christmas season. There is no need to book, just wrap up warm for what promises to be a most enjoyable occasion involving the whole community.

CHRISTMAS PRODUCE AND PRODUCTS AT THE HUB

There will shortly be a large Christmas display in the coffee shop to include a wide range of locally produced products all of which make ideal presents. Also there will be ample supplies of Christmas wrapping paper and present tags plus a good selection of Christmas cards many of which support local charities.

Ken Leslie’s 2018 calendars are now in stock and if you have ordered one in advance these are now ready to collect. Stocks are limited and whilst there are still plenty available, if you do want one, don’t delay as in previous years these have sold very quickly.

Turkeys and meats

Harry Street Meats will again be providing their locally reared free range turkeys. Or alternatively you may prefer beef for your Christmas meal and Cools Farm, a regular supplier of mince and steaks, is ready to meet your requirements. And again Manor Farm Butchers continues to supply a full range of meat and poultry not only at Christmas but throughout the year.

Special Christmas order forms covering all these options are now available in the HUB.

VOLUNTEERS

Our volunteers continue to do a wonderful job and their contribution is, as always, much appreciated. At the “thank you” party recently Will Hillary, our chairman, in thanking everyone attending, also mentioned that we are always on the lookout for more volunteers and asked if the word could be spread. There is no one better than existing volunteers to act as ambassadors in recruiting on behalf of the HUB. The chairman also mentioned that it was not necessary to commit to four hour shifts which seems to have become established as the minimum time commitment required. In fact two hour shifts are more than welcome so its important that we get this message across in case it may possibly have put some people off from volunteering in the past.

LOCAL SUPPLIER OF CHUTNEY

Burtons Best Chutney is made by David Burton in Salisbury and his full range is now in stock. These include: apricot and ginger; spiced rhubarb; beetroot and horseradish and apple, raisin and sultana. At £2.65 each they make an ideal addition for example, to curry and cold meats.

“FREE FROM” RANGE

Many people have asked that we expand our “free from” range and so in response, Ellen is planning to do just that by setting up a special area in the shop exclusively dedicated to, for example, gluten free bread and pasta together with certain dairy products that fall into this category. Expect to see more choice in the coming weeks.

KINDLING WOOD

Now that the nights are drawing in, its nice to sit in front of a cosy fire. To help with this the shop now has a good supply of kindling wood in stock, available at £5 per bag.

REMEMBRANCE SUNDAY ... 12th NOVEMBER 2017

We will remember them this year on Sunday, 12th of November, with our Bishopstone Service of

Remembrance at 1050 hrs (10.50 am), to ensure we can have the 'Silence' at 1100hrs exact! Once again, the Rev Canon Ann Philp we take the service.

[This Photo](#) by

This year we particularly remember the following men of the village who fell in 1917:

Pte Sidney Musselwhite, 15 Bn Royal Warwickshire Regiment, killed in action on 9th May, and remembered at Arras memorial. His parents lived in Bishopstone.

Pte Frank Thick, 2nd Bn Wiltshire Regiment, killed in action on 31st July aged 27. He is remembered on the Menin Gate in Ypres, and his parents lived in Bishopstone.

Pte Charles Walker, 9th Bn Australian Infantry, died of wounds on 1st February in England aged 22. He is remembered in our graveyard on the only Commonwealth War Graves Commission headstone. He came from Longreach, Queensland where his parent lived. He is buried here because his uncle was our Rector at that time.

Pte Francis Bradby, 13th Bn East Kent Regiment, killed in action on 26th November aged 34. Remembered forever on the memorial at Cambrai, Belgium, and his parents lived at Manor Farm, Stratford Tony.

We look forward to a good attendance at the service. It is hoped that medals and regimental ties will be to the fore.

It is with immense sadness that we will remember these men without the wonderful Wiltshire tones of Ivor Cummins to read their names. He was a Lance Bombardier in the RA during the advance from the beaches of Normandy until the end in Germany. His Father and his Uncle had served in the Great War before him. I think we owe all these brave volunteers a special salute this year. We have only one other WW2 veteran in the village.

Collections for the RBL Poppy Appeal will begin on Saturday 28th October on the house-to-house basis as usual. Please support your collectors generously!

Once more, Tom and Zara in our pub, The White Hart, are offering a Curry Lunch for all. The cost is £13.00 a head, to include a choice of 3 curries with rice and side-dishes, followed by a cheesecake. Drinks are a separate arrangement. Please book places direct with the Tom or Zara at the pub (Tel: 780244). Come one - come all, for a splendid curry lunch, in true military style, after a Remembrance Service or Parade!

Any queries should be addressed to me, James Thompson, Tel: 780683.

Following The Line: an 8-month Eurasian triathlon

An illustrated talk by **Charlie Walker**

In February 2017, Charlie Walker began a nine-month, 9,000km triathlon spanning the length of the perceived border between Europe and Asia, from the midwinter snowfields of the Russian arctic to the Bosphorus in Istanbul.

'Following the Line' was an 8-month endurance feat. However, much more than that, it was an exploration into what it means to be Asian or European, what divides or unites the peoples on either side of the line, and the diversity of landscape, environment, religion and culture along the border that has traditionally demarcated East and West.

For more than two millennia, geographers and theologians have drawn arbitrary lines to divide 'enlightened' Europe from 'barbarous' Asia and to differentiate between 'us' and 'them.' In reality, however, the divide between Europe and Asia is simply conceptual; an European academic construct.

During this expedition, Charlie and Callie (his American expedition partner) experienced temperatures as low as -40°C , several arrests, the threat of bears, and the challenges of survival in some of the world's remotest and most inhospitable landscapes.
