*Hello from the
Revd Jenny Taylor*

All our very best wishes go to everyone who is starting back at school this month – teachers and children – and to all those starting or returning to university or college - we do hope you soon settle in and feel at home.

On the last weekend of July Max and Felix Somet were baptised in church, it was such a happy occasion and lots of congratulations to these two boys who seemed to enjoy the whole service enormously!

At our service at 9.30 on September 17th we are going to be presented with our Church Recording Book – this has been created by volunteers from NADFAS (now known as the Arts Society) over four years and records every item and its history in our church. It was a massive undertaking, carried out with great love and strength of purpose – we are so looking forward to seeing the completed article! A huge thank you in advance to all those who helped in this project. Do join us to celebrate this wonderful gift.

On October 1st we are holding our Harvest Festival in church at 11.00 followed by drinks and nibbles. The Bishopstone Singers are leading our singing and it would be glorious to have a church full to enjoy this service – if you do come please bring a tin or packet which we will donate to the Trussell Trust.

We sadly had to say goodbye to two of our most senior residents last month, Norman Death from Whitlock Rise and Norman Barnes from Throope Farm Cottages. We send our deepest condolences to their widows and families left behind.

If you would like to find out more about our church life or would like to help in any way at all please speak to me or either of our Church Wardens – we would love to hear from you.

BISHOPSTONE PARISH COUNCIL

The minutes of the Parish Council meeting which took place on Thursday 13th July 2017 are available on the village website (www.bishopstone-salisbury.co.uk). The main items discussed were:

High Road Footpath. It was reported that some progress has been made with the proposal to provide a footpath along the verge of the High Road between Meadow View and Whitlock Rise. Discussions had been held with Wiltshire Highways Engineers, a specification drawn up and quotations for the cost of the work would now be sought.

Speed Indicator Device. The South West Area Board of Wiltshire Council has announced that it is to make 50% grant funding available to enable groups of parish councils to purchase and operate Speed Indicator Devices in their area. It was agreed that this would be a useful back-up to the Community Speed Watch team in encouraging observance of the speed limit on the High Road. Discussions had been held with Broad Chalke and Bowerchalke Parish Councils about forming a consortium to own and operate a SID. Consideration was given at the meeting to a number of SID models and a preferred choice selected. Subject to confirmation from the other two councils it was agreed to make a bid to the SWWAB for funding.

Parish Council Grants. A request for a grant had been submitted by the Bishopstone Mothers and Toddlers Group to help them meet the cost of Village Hall hire. It was agreed to provide a grant of £200 for 2017/18. It was also agreed to make grants to the PCC (churchyard maintenance and STaB), the Village Hall and the Chalke Valley Sports Centre. It was felt that more attention should be drawn to the wide range of sport and recreation facilities available to Bishopstone residents at the Chalke Valley Sports Centre. These include facilities for tennis, football, cricket, table tennis, short mat bowling, pilates, yoga and dance. For more information go to www.chalkevalleysportscentre.co.uk.

Fencing. It was agreed to seek quotes for the replacement of the fence on the west side of the Recreation Field.

Garden Extensions. It was suggested that a reminder should be included in this STaB report that planning permission is required for the extension of domestic gardens into adjoining agricultural land. Anybody who has done this, or is considering doing it, should make the necessary application to Wiltshire Council.

Faulston Barns. An "open day" for the village, with refreshments, was held on 19th August by the developers of Faulston Barns to thank villagers for putting up with any disruption during the construction phase.

Crouchston Mill. The owners of Crouchston Mill, Mole Valley Farmers, wish to discuss with the Parish Council options for the future redevelopment of the site. It was agreed to invite representatives of the company to attend the meeting of the Parish Council in September for an initial discussion.

The next meeting of the Council will be on Thursday 14th September 2017 at 7.30pm in the Village Hall. The agenda for the meeting will be available on the village website (www.bishopstone-salisbury.co.uk) a week before the meeting. All are welcome to attend.

THE TRUSSELL TRUST

PEOPLE ASK: IS THERE A NEED FOR FOOD BANKS?

Contrary to many peoples conception, the Chalke Valley has a need greater than is obvious to the majority of people who continue to underestimate the very real need for social support amongst this rural community. If already on a very tight budget, even when in work ,this immediate need is often brought about by Benefit changes and delays, sudden unemployment and delayed wages, child holiday meals (as before they were being fed at school) or sickness. Did you see the latest news about the food banks in Wales, they have run out of daily essentials due to the increase numbers seeking help. The welsh government have offered £500,000 to help relieve this situation there as they are so concerned. Here the Journal recently printed an article headlined “Primary Pupils Going Hungry” which included this passage:- “The charity said it's study showed how close to crisis many families were, and pledged extra help this summer. This will include a holiday club where trained volunteers will talk to struggling parents and offer support. Over a third of all the food distributed by food banks in our network consistently goes to children, but these new figures show 5 to 11 year-olds are more likely than other children to receive a food-bank's help. So please, continue your support and if you know of anyone in the valley who would benefit from help from the Trussell Trust then please contact us in complete confidentiality.

The total for the last July was 21.8 and for August 24.4 kgs again thanks to those of you who continue to contribute to this worthy cause.

At the moment they are again asking particularly for the following items to be included in your donation

TINNED TOMATOES
LONG LIFE FRUIT JUICES
DRIED MILK
INSTANT COFFEE

If you can include some of these amongst your normal donations it will help them enormously.

As usual donations can be left in the box in the church porch or at The Old Post Office, The Cross.

Thank you again for your continued support
Regards

Reg & Judy Barrett

**Thank you to everyone who sent gifts, contributions and good wishes for my retirement. I was overwhelmed by the generosity and warm feelings expressed. Our home and garden will not be recognisable!
Working in this wonderful area has been an amazing experience, not least because of all the lovely people who live and work here.
The Practice gave me a memorable party in Sixpenny Handley village hall, with stunning floral decorations, and more kind words and gifts.
Thank you all.
